Disclaimer

Inspire International makes no claims for its nutritional products other than their excellent quality and purity. We do not claim that our products “cure” disease. They are designed to give the body the nutrition it needs to support long-term health and well-being.

The financial success stories we feature are designed to give an idea of what is possible with our opportunity. The earning figures will depend upon an individual’s efforts, the area in which they live, and the time they dedicate to their independent Distributors, Members, and Customers.

PRIVACY

At Inspire International, we respect your right to privacy and we understand that visitors to www.inspireworldwide.com need to be in control of their personal information.

How Inspire International will protect your personal information:

Inspire International will protect the personal information that you share with us.

If you make a purchase online, we will use your credit card number only to process your payment and will not use it for marketing purposes. All credit card transactions are secure, using SSL encryption. Click on the following image to verify our security.

If you are a Distributor, Member, or Customer, we will use your email address to alert you about new features, special offers, updated information, and new services.

If we gather demographic information, we will not share information about you as an individual with any other entity.

In order to administer your session, we use "cookies". These cookies persist only for the lifetime of your session, and cannot be used by us (or any other entity) to gather information. Nothing is stored on the "hard disk" of the computer you use to access Inspire International.com.

This site contains links to other sites. Inspire International is not responsible for the privacy practices of such websites.

Inspire International has state-of-the-art security measures in place to protect the loss, misuse and alteration of the information under our control.

Changes to Our Policy

Inspire International will continue to disclose to you our information usage practices via this page. Inspire International would like to receive your comments and questions about this policy.

ABOUT OUR SECURITY

Ordering from our website is **safe**; our **secure server software** encrypts your credit card information into bits of code that **cannot be read** as the information travels over the Internet. Each of our servers are secured with its own **SSL certificate issued by VeriSign**.

Common Questions and Answers:

Q: How can I verify that SSL security is operating?

A: Use the following verification methods below:

- **Internet Explorer:** Check that the lock icon is displayed on the page that accepts your credit card. OR: On the page that accepts the credit card, right click. A menu will be displayed. Click on Properties (at the bottom of the menu) and a page will be displayed. Check that the Connection field indicates SSL encryption is enabled.
- **Netscape:** Check that the lock icon is displayed on the page that accepts your credit card. OR: On the page that accepts the credit card, place the cursor in the Secured Access Login area of the site and right click. In the menu click the View Info option. A dialogue box will appear to indicate SSL encryption is enabled.
